

Welcome to

Rebuild 1

The beginning

Dates

March 1, 15:00 – March 3, 15:00

Location

The Lab, Vermundsgade 40B, 2100 Copenhagen

Rebuild brings together entrepreneurs, platform builders, designers, investors, and digital leaders to exchange perspectives, collaborate across disciplines, and form an ecosystem for European social platforms.

What to expect

Rebuild is designed as a focused, high-trust environment. In 48 hours, you will take part in:

Focused keynotes and panels

Focused perspectives from pioneers of social platforms, Rebuild ambassadors and current day platform entrepreneurs on everything from challenges to product innovation and scaling approaches.

Platform demos

See what Europe's social entrepreneurs are building right now. Learn from one another's products, business models, and approaches within the different categories:

- Events
- Photo sharing
- Creator platform
- Resource sharing
- Bundled
- Groups
- Video sharing
- Community
- Dating
- Location
- Networking
- Forums
- Messaging
- Social marketplace
- Microblogging

Solving challenges

Working groups tackling the problems no entrepreneur should face alone. Bring your toughest questions and build solutions together - from pioneers, founders, and visionary investors:

- Design principles
- Social needs at every scale
- Just rebuild (vibe coded platforms)
- Investment opportunity paper
- Social platform model innovation
- The shift
- Social design framework
- Rebuild letter

Collaborative outcomes

Hands-on prototyping of a set of actionable tools needed to build a new direction for social platforms, including design principles, investment concept papers, and opportunity maps.

Curated meals & community dinners

Designed to deepen connection and extend conversations beyond the formal program.

The Rebuild Gatherings

Rebuild is designed as a living network, shaped by the people in the room and carried forward through the work that follows.

Rebuild 1 is the first of 3 connected gatherings designed to build on each other throughout the year. You are not committing to all gatherings by attending the first, but we recommend blocking the future dates.

The beginning

Copenhagen, 1-3 Mar 2026.

The boost

Helsinki, 30 Aug - 1 Sep 2026.

The shift

Paris, 13-15 Dec 2026.

We look forward to building this next chapter of Europe's social platforms with you!
